Preface

In the Name of Allah, the Most Compassionate, the Most Merciful All praise is due to Allah, the Lord of the worlds. Peace and blessings be upon the Prophet Muhammad ﷺ, his family, his companions, and all those who follow his path until the Day of Judgment. This humble work, "**Let's Understand the Qur'an**

(Taleem al-Qur'an for All)", is a unique and structured guide designed to help learners of all backgrounds understand the noble Qur'an, beginning from **Surah Al-Fātiḥah, Surah Al-Asr then Surah Fil to Surah An-Nās** Inspired by the desire to bring the beauty and clarity of the Qur'an into the hearts and minds of students, this book presents a **phrase-by-phrase and word-by-word** translation method. It is enriched with **faith-based mini stories, interactive exercises, speaking drills**, and **assessment tools** to reinforce learning.

Each lesson is carefully broken into manageable sections to suit different age groups and learning levels. Without relying on complex grammar terminology, we emphasize **natural Arabic sentence patterns** and **contextual understanding** using relatable examples drawn from authentic Islamic teachings. The aim is not merely to translate words, but to open the door to **reflection (tadabbur), spiritual connection (ta'alluq),** and **practical action ('amal)** based on the Qur'an.

It is our sincere prayer that this effort becomes a **means of guidance, understanding, and transformation,** and that those who learn through it are inspired to live by the Qur'an—not just read or recite it.

May Allah accept this humble contribution and reward all who benefit from it.
Āmīn.
